##### **The Windsor Family Trust**

Criteria

This is a new donor-led named fund being offered through the Gloucestershire Community Foundation with effect from October 2010. The programme will support youth development work with young people up to the age of 18 years.

Whilst applications from groups working around Gloucestershire will be considered, the donors are looking to establish a positive working relationship with young people's organisations in the Dursley and Stroud areas of the county.

Grants of between £250 and £5000 will be available and we aim for a quick response to applications. There will be a degree of flexibility, should a particularly dynamic or innovative project come forward that merits special consideration outside of the standard grant giving.

The programme will be reviewed and adjusted to enhance the opportunities for youth empowerment through this scheme.
