Telford Hornets Junior Newsletter

Well done to all those players who turned out against Oswestry. An excellent day, busy club and superb results all round. Wolverhampton and Whitchurch had better brace themselves!

Thanks also to the few who gave an hour or three on Saturday to help do a few minor jobs at the club.

Player Success

George Williams, Michael Young-Husband, Hayden Strong and Jack Baker all made it into the County Squad for the second year running. Very well done.

MATCH REPORT – Hornets v Oswestry U11/12's Joint 4 Nov 2007 - WIN 42-0

It was an excellent 1st half dominated by Telford with an opening try from Chris Massey converted by Greg Corfield setting a pace that the visitors struggled with. A second try and conversion came soon after from Connor Wilkinson. By now Telford were in control of the game and started to challenge Oswestry harder which saw Jack Chiverton score and this was then converted by Chris Massey to stretch the lead. Within the remaining couple of minutes in the 1st half Greg Corfield scored again which put the game beyond the reach of Oswestry. Some frustration showed from Oswestry when a penalty try was awarded in the dying minutes of the 1st half which was converted by Jack Bowen making his debut for the Hornets! The second half was played as a training game after such a comprehensive victory.

Kit Washing

Any parent wishing to support their child's team can help in a very simple way. Each team needs a parent willing to administer a rota for kit washing. At present, in most cases, this is undertaken by coaches

who, frankly, need a little help. If you can help please let your team manager know. Thanks in advance for your support.

The Shops

We are hoping to restock the shop soon with new kit for Christmas. – watch this space.

Ongoing thanks also to all of you for your support in making the sweet shop a real success. Anyone wishing to make a donation to the Christmas party fund could do worse than bringing in a box of sweets to be sold or some more delicious home made cakes. Fantastic!

MATCH REPORT – Hornets U9's v Oswestry 4 Nov 2007 WIN 45-20

The under 9's put on another impressive display running out as winners against Oswestry. It was good to see the ball being moved around more. However, the best and most inspiring moment of the match came when Kai having been on the receiving end of some verbals from the opposition, answered in the very best way possible.

Taking the pass from the re-start, on the half way line, he smashed his way down field brushing aside the hapless Oswestry defence to complete a fine solo try.

Note to future opponents it's not worth trying to wind him up, he takes enough stopping anyway!!

MATCH REPORT – Hornets U8's v Oswestry 4 Nov 2007 WIN 25-0 & LOSS 10-25

With the pitches marked out beautifully it was down to the Hornets players to perform. Oswestry brought a well drilled team of youngsters but the training put in by the more experienced Hornets players showed with solid defence and converted turnover ball. The ref noticed a little too much handing off for his liking but the game was played with excellent spirit and conviction. Notable tries were scored by Harry Pennells and Kia Mason and following strong runs from Oliver Haggitt and Jamie Wiggins.

The second game gave newer players a chance to show their stuff and they were ably supported by more experienced players and notable contributions were made by Callum Wallbridge who made strong straight runs tying up two Oswestry players each time and an excellent try from Ben Venezia.

Hornets U7's v Oswestry 4 Nov 2007 WIN 30-15 & WIN 15-10

The training and instilling a "forward march" attack did really pay off. Our players supported each other. We had virtually no side-way running whatsoever. Every time we had the ball we made very good ground advancement. Superb result.
