Telford Hornets Junior Newsletter

Not a lot of Rugby has been played so far this year due to the weather so it's been about housekeeping and handling the growing pains we are having as a club. I am delighted to note that everyone remains committed to the club and the passion needed at any Rugby Club is more than evident. Long may it continue.. The last thing needed is apathetic volunteers!!

With a view to ensuring all know how to get hold of everyone we have collated Names, numbers and email addresses for our volunteer parent Managers that should be the first (but not exclusive) port of call for parents needing information. These do change every now and again and coaches and managers should advise Neil Thomas of any changes so that the "Master List" can be kept up to date. Details on fixtures, any changes and other news is available from these individuals initially who are fed information from the coaches, fixtures manager and other members arranging events and tours.

TUESDAY TRAINING WITH A BOUNCE

Over 30 of our U7/8&9s descended on, and our thanks go to, the Shooting Stars Gymnastics Club on Tuesday night. All had a rare opportunity to work on their fitness, agility, balance and strength.

TOO WET TO HAVE FUN??

Frustrated at the weather four of our junior Hornets took themselves off, with parents on tow to the Telford Bowling Alley to see which age group came out on top. Jack W for ten U7's, Jamie W and Jack F for the U8's and Tom W for the U10s. The first winner of the "Too wet to train" bowling challenge was Jack W for the U7's.

Yes it got late and no we should not have had 2 games.....
