COACHING BURSARIES FOR PLAYERS

Rugby players need Rugby coaches, and players who decide to take a coaching course can continue to be involved in the game when they are recovering from injury or when they have stopped playing altogether. Players make good coaches as they understand the game from the inside and with training they can pass on their knowledge and experience.

To encourage more players to become coaches Eastern Counties is offering to pay half the RFU course fee. But the offer is limited to the first 30 players to register for an RFU course.

Remember you must be a current player to qualify. Talk to your Club Coaching Coordinator about upcoming courses or contact or check the Eastern Counties web site.
