**2008 COMMUNITY CLUB OF THE YEAR**

9<sup>th</sup> November 2008

North Hykeham RUFC Girls won the “2008 Community Club of the Year “at the Lincolnshire Sports Awards. They saw off stiff competition from the two other short listed clubs - Caistor Crusaders Junior Football Club and Covenham Sailing Club to lift the trophy. The judges were particularly impressed with the number of girls in both the Under 15 and Under 18 ranges that have moved along the R.F.U.W.player pathway to East Midland’s regional level over the last three seasons culminating in Mica Grossett and Rachel Jones being selected into the R.F.U.W. Under 18 National Talent Development Group.

The judges were also impressed with the clubs schools links to ensure the long term sustainability of the Under 15 and Under 18 sides as well as their support for University Girls rugby.

A photograph showing coaches Clive Ware and Mick Kemp together with representatives of the Under 15 and Under 18 squads with the trophy shortly after the presentation, is available in the 2008-09 Photo Gallery.
