

**NORTH HYKEHAM RUGBY CLUB**  
**INSURANCE INFORMATION AND PLAYER DECLARATION**

**PART "A" - INFORMATION**

As a club affiliated to the Rugby Football Union, North Hykeham R.U.F.C. is obliged to provide Compulsory Personal Accident Insurance for its playing members.

**The beneficiaries of the insurance are those who are FULLY PAID UP MEMBERS of the club having paid the annual subscription as determined by the A.G.M.**

**Senior membership is set at £20 per season with students and unemployed paying £7 - all youth teams will be deemed to be students.**

**If players do not pay their membership they are not covered by the insurance policy should they sustain a serious injury as determined by the insurers. As such no player will be selected to represent the club unless they are fully paid up members**

Full details of the level of cover afforded by the Compulsory Personal Accident Insurance held by the club are available on request via a club committee member. A resume is posted on the information board. A master policy is issued by the insurers in the name of "Rugby Football Union for and on Behalf of the Insured Persons". Full details are available from Twickenham on application.

The insurance cover provided is the basic minimum legally required and **DOES NOT COVER FOR LOSS OF EARNINGS** following an injury sustained either training or playing for North Hykeham R.U.F.C.

The club's general committee **STRONGLY** advises **ALL PLAYERS** to make their own separate insurance arrangements should they wish to cover themselves over and above the basic insurance cover provided.

**PART "B" - PLAYER DECLARATION**

I have read the above information relating to the insurance cover provided on my behalf by North Hykeham Rugby Club. I have been provided with a copy of this notice.

I am fully aware of the level of cover provided and the advice given by the officers of the club to seek individual insurance of my own accord.
