Stafford Third XV 29–7 St Leonards

Saturday 19th September 2009

Friendly Fixture

Stafford 3rds started their season in style with a hard fought victory over local rivals St Leonards. In an often bad tempered game, it was the pace of the Stafford backs that clinched the victory with the forwards providing a base to work from. Phil Dewick opened the scoring for the home side and had a solid game in the unfamiliar fly half position. Andries Coetzee added the second before half time the first of two for the winger. St Leonards never gave up and made a real game of it replying with a try of their own from Brian Jones before half time. Although dominant in the scrum in the second half, the visitors couldn't press this advantage home and Stafford's backs always looked dangerous with the ball in hand. Niall Mclean, in particular, had an outstanding game, running from full back he terrorised the St Leonards backs and was unlucky to only claim one try. Flanker Lee Wilson was also impressive with ball in hand and powered over for a try after some clever running off a ruck. This was a good start to the season and hopefully a stepping stone to a successful one.

Dudley Kingswindsford 27–5 Stafford Ladies XV

Saturday 19th September 2009

Friendly Fixture

No Report Here.
